

The Program

Well we are back to Ocean City, Maryland in June at the beautiful ocean front **Dunes Manor Hotel** for our next Mid-Atlantic Intergovernmental Audit Forum on **June 3 thru 5**. This will be a Group-Live offering and the objective for this forum is to provide training on a variety of auditing topics and to allow time for networking with our local, state, and federal counterparts. The Program Committee has developed an impressive list of topics that will have something of interest to each of us. We will also have our usual committee meetings and our networking reception to provide opportunities to discuss issues and share ideas with our local, state, and federal counterparts.

We know that funds are tight at all levels of government and have reduced our registration fee to \$95 person and you will earn 14 NASBA-certified CPEs by attending all sessions. The Hotel is also giving us a special \$89 per night rate, well below the GSA lodging rate of \$181. We will start our registration at 12 noon on Wednesday, June 3rd and end at 12 noon on Friday, June 5th. We are working on many interesting topics that will include some of the following:

- The Keys to Writing Better Emails
- The AICPA Peer Review Process
- SAS 112 and the Risk Assessment Standards
- Methods of Performing Aviation Audits and the Key Findings of Such Audits
- The Many Uses of Cyberspace
- Fraud Detection and Deterrence
- The American Recovery and Reinvestment Act
- And Other Topics To Be Determined

The total forum will provide 14 CPEs, and no prerequisites and/or advance preparation is required.

Course Level: Overview

Appropriate dress for all sessions is “Business Casual.”
