

The Program

Well if it is the first week in June, it must be time for us to be back in Ocean City, Maryland at the beautiful ocean front **Dunes Manor Hotel** for our next Mid-Atlantic Intergovernmental Audit Forum. Our meeting will run from **June 2 thru 4**. As always, this will be a Group-Live offering and the objective for this forum is to provide training on a variety of auditing topics. The Program Committee has identified an impressive list of topics that will have something of interest to each of us. We will also have our usual committee meetings and our networking reception to provide opportunities to discuss issues and share ideas with our local, state, and federal counterparts during these very difficult and busy times.

We know that funds are tight at all levels of government but believe that our \$150 registration fee for 14 NASBA-certified CPEs is a real training bargain. The Hotel is once again giving us a special \$89 per night rate, well below the GSA lodging rate of \$199. We will start our registration at 12 noon on Wednesday, June 2nd and end at 12 noon on Friday, June 4th. Mr. Tom Wagner, Delaware's State Auditor, will kick-off our conference with his keynote presentation on "Auditing ARRA Funds in Delaware." Other topics will include the following:

- The HHS Audit Resolution Process
- Current Efforts by the AICPA Ethics Committee
- Using Social Scientists in the Auditing Process
- Performing High Quality and Helpful Internet Searches to Assist with Audits
- DOT OIG Perspective: Challenges and Lessons Learned in Auditing Use of Recovery Funds
- Fraud Detection and Deterrence
- And Other Topics To Be Determined

The total forum will provide 14 CPEs, and no prerequisites and/or advance preparation is required.
