

The Program

After a very successful 17th Biennial Audit Forum in beautiful Philadelphia, we return to the beautiful ocean front **Dunes Manor Hotel in Ocean City, Maryland** for our next Mid-Atlantic Intergovernmental Audit Forum on **September 10-12**. Once again, we have a great program and a great location and the weather in Ocean City in September should be great. The Program Committee has developed an impressive list of topics that will have something of interest to each of us. We will also have our usual committee meetings and our oceanfront networking reception to provide opportunities to discuss issues and share ideas with our local, state, and federal counterparts.

Wednesday afternoon and Thursday we are working on numerous interesting topics that will include some of the following:

- Financial Management Transformation-A Systems Perspective
- Developing and Presenting Better Briefings
- Improving Your Leadership By Taking Better Care of Your People
- Performance Auditing
- Student Loan Abuses and What It Means To the Audit Community
- Taking Better Care of Your Customers
- And Other Topics To Be Determined

Additionally, Friday morning will be dedicated to Supervisory and Leadership Skills with a three hour workshop by one of our very favorite presenters, Ms. Carole Buncher.

The total forum will provide 14 CPEs, and no prerequisites and/or advance preparation is required.

Course Level: Overview

Appropriate dress for all sessions is “Business Casual.”
