

## The Program

---

We are pleased to announce the fall meeting of the Southeastern Intergovernmental Audit Forum at the B Ocean Ft. Lauderdale, FL. The objective for this forum is to provide training on a variety of auditing topics. The Program Committee has identified an impressive list of topics. We will also have our usual committee meetings and our networking reception to provide opportunities to discuss issues and share ideas with our local, state, and federal counterparts. In addition to our keynote address from Mr. Matt Jadacki, Deputy Inspector General, US Department of Homeland Security on Improper Payments, some of the other topics to be explored are:

- Debt Collection;
- Grant Funding and Auditing;
- Dodd-Frank Act; and
- 3 hour Technical Audit Report Writing Course

Participants will find the information presented by an impressive list of presenters, pertinent to their current work.

In addition to the technical program, the meeting will provide professional opportunities to interact and network at the reception and dinner, and to discuss issues and share ideas with our local, state, and federal counterparts. A total of 11 CPE hours can be earned if all technical sessions are attended.

The registration fee for the meeting is \$250 that includes reception, breakfast and Thursday dinner. Guest registration is \$75 and includes the reception and Thursday dinner.
